Preview time is counted down

Choice of screen colour

- > No going back
- > Stumbles eliminated
- > Fluency quickly developed

Easily adjusted metronome with volume control and optional 'flash'

how it works

- > select a **wessar sightread4...** app and download to an iPad
- > select music from the comprehensive library
- > with the metronome set, performance begins
- > the music disappears bar by bar, forcing the player's eyes to the right, thus encouraging continuity

the 'apps'

The complete series of the unique **wessar sightread4...** apps:

- > **sightread4piano**
- > **sightread4bowedstrings**
- > **sightread4guitar**
- > **sightread4rockschool**
- > **sightread4ABstrings**
- > **sightread4wind**

"The manner in which it encourages the user not to stop is spot on."

Bill Martin
